CANADIAN CHAMPIONSHIPS

The 1967 Canadian Albacore Championships held the weekend of September 15, 16 and 17 on Lake Rosseau attracted 131 entries - the largest field in the seven year history of the event.

Separated into three classes based on previous racing performances, the participants found the going slow due to variable light breezes. Lack of wind forced the cancellation of two of the races turning the Championship into a three race total point series rather than the usual four out of five.

Gordon Crowe, a young man in a hurry from Ashbridges Bay Yacht Club edged Geoff Revette, this year's U.S. Champion from Niagara Sailing Club to capture "A" Class and the John J. Geikie Trophy, emblematic of the Canadian Championship.

In "B" Class, Ken Bradfield, sole member of the Crow Lake S.C. confounded the selection committee by capturing all three races by a wide margin to win the Hiram Walker Trophy.

John Soper from Royal Canadian Yacht Club won two races and finished second in the third to win "C" Class and the Builders' Trophy.

The Friday race which started in drifting conditions was eventually cancelled after only one leg due to a time limit.

Saturday morning saw a continuation of the light conditions as the wind (?) hovered around 1-2 mph for most of the race. The wind freshened from behind on the third and final leg moving most of "B" and "C" fleets into the last half of "A". The last 50 yards developed into a nightmare for the judges as approximately 70 boats crossed the finish line on a run within seconds of each other.

Saturday afternoon again brought good natured complaints from skippers accustomed to a much faster pace as the drifting conditions continued. The scheduled three races for Saturday found only two completed at day's end as one race was cancelled in the afternoon.

The third race took place Sunday morning but again turned into a grim marathon, lasting more than three hours in dying winds for the fleet tailenders.

Cont'd...

Don Giffin of Shadow Lakes S.C. retained his winning form from the second race to capture the third race in "A" Class and the Walker Tray. Ken Bradfield from R.C.Y.C. and Paul Pollak from Port Elgin Yacht Club led "B" and "C" Classes respectively in the third race to win Walker Trays.

1967 Canadian Albacore Championship Regatta

Clevelands House, Lake Rosseau, September 15, 16, 17 1967

Total Entries 131
 A Class 49 boats
 B Class 59 boats
 C Class 23 boats

LAKE SIMCOE DISTRICT REGATTA

39 Albacores competed in two races at DeGrassi Point on Lake Simcoe on July 29. Winds were light. First 15 finishers were as follows:

1	# 239	Doug Matthews	RPYC
2	2255	Bill Urquhart	JPYC
3	2256	Terry Malone	JPYC
4	2532	Al Sarjeant	KBSA
5	2266	Don Osborne	JPYC
6	183	Bruce Bone	BCYC
7	2526	George Huxtable	KBSA
8	273	John Rogers	RPYC
9	2528	Rod Raikes	KBSA
10	254	Patricia Doherty	RPYC
11	2529	Ted Bigelow	KBSA
12	246	Col. Jake Hunter	RPYC
13	780	Gordon Grant	KBSA
14	278	Hunter-Mills	RPYC
15	241	John Freyseng	RPYC

OSHAWA YACHT CLUB

Six Albacores raced September 23 in planing winds and large waves at Oshawa. First 3 finishers were:

1	618	Jack Langmaid	SLSC
1	2459	Larry Cond	WYC
3	220	Derek Pollock	PSC

ALBACORE AGAIN IMPRESSIVE

AT BRONTE ONE-OF-A-KIND

For the second consecutive year the Albacore made an impressive showing in the One-Of-A-Kind Regatta sponsored by the Bronte Yacht Club on September 30 and October 1. Handicap for the three race series was based on waterline length and sail area - a formula used by the well-known Florida Ooak event.

Each of the 13 centerboard classes participating in this year's series were permitted to enter two boats with the best finish in each race to count. Gordon Crowe of Ashbridges Bay Y.C., recent winner of the C.A.A. Championship and Don Giffin of Shadow Lakes S.C. represented the Albacore Class.

Cont'd...

The first race Saturday started in 10-20 mph westerly winds with the first leg a broad reach and some planing. Unfortunately the mark at the end of the leg was missing and had been replaced by a Javex bottle as a temporary buoy. After locating and rounding the mark the two Albacores along with a Fireball and Scorpion followed two motor boats which led them to the keel boat mark. Having sailed two miles further, the itinerant craft returned to the correct mark at the tail end of the fleet. By the end of the second round the Albacores had caught about half the fleet but had to settle for a 9th place finish on corrected time.

The afternoon race, sailed in medium to heavy conditions, featured a three-way contest with the Fireball and Y-Flyer. Due to the late hour the course was shortened to once around with the Albacore finishing 3rd on actual and 2nd on corrected time behind the Fireball.

The duel between the Albacore, Fireball and Y-Flyer continued Sunday morning in light to medium wind conditions. On the windward leg the two Albacores split tacks taking turns in covering the two other classes while making sure that one of the boats would be in good position should the wind shift. By the third and final leg Giffin had worked out a 100-yard lead over the Fireball and Y-Flyer. Crowe, noticing that Giffin had the two boats covered tacked into shore, picked up a freshening breeze and nipped Giffin, who had to tack, and the Y-Flyer at the line to finish first on both actual and corrected time.

During this series the Albacore proved a commendable performer in most conditions among these various types of boats, some which held higher potential performance rating.

Results, based on corrected finishing position after handicapping, were:

<u>CLASS</u>	<u>1st</u>	<u>2nd</u>	<u>3rd</u>	<u>Total</u>	<u>Pos.</u>
Windmill	1	4	3	8	1
Fireball	3	1	6	10	2
Albacore	9	2	1	12	3
Wayfarer	2	5	5	12	4
Enterprise	4	7	3	14	5
Y-Flyer	11	3	4	18	6
420	6	6	7	19	7
Scorpion	7	DNF	2	21	8
OK Dinghy	5	11	9	25	9
GP 14	10	9	10	29	10
Firefly	8	10	12	30	11
Explorer	13	8	11	32	12
Lazy E	12	12	8	32	13

MID-WINTER ALBACORE CHAMPIONSHIP AT TAMPA, FLORIDA

Budgeting for a winter's holiday in the South? If so, why not plan to take in the North American Mid-Winter Albacore Championship being sponsored by the Tampa Yacht and Country Club on February 22, 23 and 24, 1968.

Last year a number of Canadians participated in this regatta and from reports, a most enjoyable time was had by all.

The Tampa Yacht and Country Club has a large Albacore fleet. At present competitors are urged to bring their own boats but we understand there may be a small number of boats available which could be borrowed. For further information contact:

Mr Glenn T. Allen, Jr.
C/o Tampa Yacht and Country Club

REGISTRY

It is important that the Class registry is kept up to date. Consequently, would all boatowners kindly check your Name, Address and Sail Number in the 1967 Year Book, and if any changes are to be made advise Mrs Barnes, 24 Hilldowntree Road, Islington, Ontario.
