Regattas A list of the May, June and July regattas for Albacores is given on the reverse side. In order to get better coverage of our events in the yachting press we would like Fleet Secretaries to send the results, in duplicate if possible, to the Class Secretary immediately after the regatta. It would help if a copy were sent directly to the magazines at the following addresses:

One-Design & Offshore Yachtsman, 159 East Chicago Ave., Chicago 60611  
Yachting, 50 West 44th St., New York, N.Y. 10036  
Canadian Boating Magazine, 4 Collier St., Toronto 5, Ont.  
CYA Publicity, Alex S. Poe, 20270 Lakeshore Rd. Baie d'Urfe, Que.

Pictures We are also very anxious to obtain good black & white pictures of Albacores in action and particularly of their use as a family boat for picnics, etc. Don Giffin is on the look-out for more movie footage which could be donated to the Association (cost of film reimbursed to the "Producer") More footage is needed to add to our films which have been used very successfully to encourage new fleets.

Numbering In order to simplify the numbering of boats in North America, the CAA and the USAA have agreed to use a common numbering system. This will indicate the size of the class and make it easier for our builders who are exporting boats to the U.S. We hope it is a step toward a world-wide numbering system as used by the Snipes and Lightnings.

New boats will be issued numbers in the "2000" series. Grampian have been assigned numbers 2000-2199 and Whitby numbers 2200-2399. Boats with old numbers will not be asked to change but consideration is being given to issuing a new number if the boat was made in Canada and is sold.

Boats and Equipment for Sale 1962 Fairey hull built from kit. Complete with all rigging, Taylor sails and measurement certificate. Asking \$600 f.o.b. Unionville. Dick Fear, 447-7264 day 223-3348 evening.

1965 Ratsey Mainsail, used 5 or 6 times, perfect condition. Ron Cooke, c/o H.W. Cooke & Son 3000 Yonge St. HU5 9178 or HU1 1224 evenings.

1962 Tom Taylor Main Sail and Jib. Good condition.  
Monty Brown, 266-3647.
