CANADIAN CHAMPIONSHIPS, CLEVELAND HOUSE
SEPTEMBER 23, 24 & 25

MEASUREMENT CERTIFICATES

It is vital that everyone participating in the Championships next weekend bring his (or her) measurement certificate containing an endorsement that a buoyancy test has been passed in 1966.

FLEET CAPTAINS

As our class continues to grow it is becoming increasingly important that the Fleet Captains play a more active role within the Association.

A meeting of Fleet Captains will be held during the weekend of the Championships (at a time to be announced later) and all Fleet Captains are strongly urged to attend the meeting. If your Fleet Captain will not be present at the Championships, please make it your responsibility to make sure that your fleet is represented at the meeting.

BURGEES

The Association would like to have a burgee from every club with an Albacore Fleet. If your club has one, we would be delighted to receive it.

SECRETARIAL POSITION

The Association would like to engage someone for part time secretarial duties at a regular rate of remuneration. Applicants for this position should own a typewriter and preferably should have some basic understanding of sailing.

For further information please communicate with the Secretary Treasurer.
