Commodore's Corner

By the time you all read this, many of the club regattas will have come and gone. I am sure they will have been very successful as in prior years.

**RCYC/North Americans**

We would like to thank RCYC for hosting the North Americans as the CAA did not get a chance to do it at the event.

**Royal Weekend - Labour Day Weekend - September 1 and 2**

Royal Weekend was an amazingly fun regatta last year. We only had a few boats so there was not that much competition but the whole event was great. Henry Pedro and I won the regatta so of course that makes it even more fun.

The racing was on the lake with a number of other fleets. Also, the partying was great! Both days after racing the club had a wine and cheese with unlimited wine and beer and munchies. All fleets were invited so it was a great social cocktail party.

A BBQ was held for dinner on the Saturday night with a DJ following. Henry and I partied with some friends from the C&C 27 fleet 'til well past midnight (and of course paid for it the next day but it was worth it - right Henry??). The regatta was topped off with the prize giving which included a lovely cherrywood plaque which could rival any of the community club regatta awards. Hope to see lots of boats out for this fun event.

**Canadians**

The Canadians will be held on the weekend of September 15<sup>th</sup> and 16<sup>th</sup> in Ottawa at Nepean Sailing Club. This promises to be a fun Canadians and we look forward to seeing lots of boats out. There is going to be billeting but there is also camping and a number of bed and breakfasts for those who want their privacy.

**2003 Internationals**

Canada is hosting the 2003 Albacore Internationals. By the time you receive this edition of Shackles, we will have chosen the location. The three locations we are looking at are:

- Kingston
- Bermuda (yes Bermuda !!)
- Muskoka

We will keep you posted...

**2001/2002 CAA Executive**

If you are interested in joining the executive in 2001/2002, please write or phone me. At the time of writing I am not sure what positions will be available but there will be some as there always are

Happy Sailing for the rest of the summer!  
Heather

**RCYC ROYAL WEEKEND  
SEPTEMBER 1 AND 2 - 2001**

LABOUR DAY WEEKEND - PARTY ON THE ISLAND!

- ⚓ ALBACORES RACE ON LAKE FOR TWO DAYS
- ⚓ BEAUTIFUL AWARDS FOR TOP THREE BOATS
- ⚓ FREE WINE AND CHEESE BOTH DAYS AFTER RACING
- ⚓ BBQ WITH DJ FOLLOWING ON SATURDAY NIGHT

BE THERE  
WATCH THE WEB FOR FURTHER INFORMATION!

## A Plug for the Canadian Albacore Championships in Ottawa By Van Sheppard

Spring is here! I can tell when it "officially" arrives because I start sanding something on my boat, and I did that two weeks ago. If all goes well I should be able to sail at least once before going to Mid-Atlantics in New Jersey, which is where we start our racing season.

I plan to get out and sail a lot this year including several away regattas, as we are hosting the Canadian Championships here in September and I am hoping to take advantage of some local knowledge to get a best ever result (probably not too hard to do given my showings to date). I also want to push the Canadians and encourage as many sailors as possible to attend. In fact that's the reason I'm writing this short article. I want to shamelessly plug our city, club, fleet, beer... whatever it takes to convince, persuade, cajole, shame, blackmail, or guilt you into coming to visit in September.

Our City is beautiful, clean and best of all contains a large lake with our sailing club on it. Think that sounds to farfetched to be true... come and check it out. If I'm wrong I'll buy the beer. Heck, there may be a keg or two around even if I'm right! September is also a great month to visit and sail in, the water is still warm and there is usually good wind, although maybe not up to Meaford standards.

Our club is a great place to sail. Lots of space for your boats, trailers and dollies. We have 3 ramps and enough dock space to get the whole fleet on the water in very short order. If you're the outdoorsy type, camping is

permitted on the grass in the dinghy compound and you have 24-hour access to washroom facilities with showers in them. At least the guy's washroom has showers; I'm working on faith when I tell you there are showers in the women's washrooms.

You know some of the people in our fleet already. Chrissy and I have been travelling now for about 3 years and are looking forward to the opportunity to host you all in Ottawa and return all the hospitality we have received during our travels. Ed and Sue have been travelling for even longer than us (They are WAY older than us and so have had more time to do this...Sue is gonna kill me when she reads that...) There are also Caroline and Luc who have been getting out to some regattas in the last two years. We are eager to have you come visit so that the other local sailors can see what it is we go away to experience.

Beer! Not much more I can say here. We have several taps in the club and the beer is fairly cheap (extremely cheap if you're from the US) and always cold!

That's a whole bunch of really good reasons to come and participate in the Canadians this year. I can't think of any really compelling reasons not to come, so I expect that everyone who reads this will mark the dates on their calendar (September 14-16) and then plan to come on up.

We look forward to seeing you and enjoying a beer with you... Oh, and doing some sailing with you as well. ☺
